WORK EXPERIENCE

UI/UX Designer

Jan 2023 – Present

Freelance | Independent Projects | Remote

- Designed end-to-end UI/UX for **Virtual Library**, an EdTech mobile and web platform — resolved broken user flows, inconsistent visual hierarchy, and poor mobile experience.
- Built a **scalable Figma component library** with reusable UI components, design tokens, and Auto Layout — cutting design-to-dev handoff time significantly.
- Delivered **pixel-accurate developer handoff specs** using Figma annotations and responsive design guidelines.
- Applied user-centered design principles, information architecture, and interaction design best practices across every project.
- Worked directly with developers to ensure accurate implementation of UI designs across devices.

Graphic Designer

Nov 2025 – Apr 2026

Gesis Web Solutions Pvt. Ltd. | Sector-5, Rohini, Delhi, India

- Designed and delivered **20+ visual assets**, marketing materials, and brand collateral for web and digital platforms, improving client brand consistency.
- Collaborated daily with development and marketing teams to produce on-brand creative solutions, **reducing revision cycles by 30%**.
- Created graphics for social media campaigns, web banners, brochures, and client presentations with a focus on clarity and visual impact.
- Used Photoshop for advanced image editing, compositing, retouching, and production of high-quality print and digital assets.
- Maintained visual design consistency across all deliverables in line with brand style guides.

Youth Ambassador

Apr 2023 – Jan 2026

Viral Fission | Internship

- Created visual content, graphic design assets, and brand communication materials for **TATA Groups**, **Red Bull**, and **Skybags** — applying design thinking to marketing campaigns.
- Grew social media engagement by **45%** through structured visual storytelling, content strategy, and audience-first design.
- Awarded **5-star performance certificate** for consistently meeting and exceeding campaign targets.

Accountant

Mar 2023 – Aug 2024

GSPT and Associates | Internship

- Managed complex financial data for **500+ clients** — built strong analytical thinking, attention to detail, and structured problem-solving skills applicable to UX research and design QA.

PROJECTS

Virtual Library — EdTech Platform UI/UX Redesign

2025

- Redesigned complete UI/UX for a code-first tutoring platform — fixed visual hierarchy, user flows, and mobile UI responsiveness.
- Delivered a structured design system including UI components, typography scale, color tokens, and spacing guidelines in Figma.
